Home / My courses / 2018-2019 Courses / IEC FWCC / IEC FWCC 3rd Year Curriculum CMS - 2018-2019 3D /

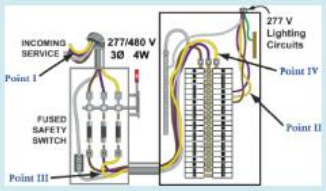
Question **1**
Not yet answered
Marked out of 1.00
Flag question

Which of the following are considered to be current-carrying conductors?
I. neutral conductor II. ungrounded conductor III. grounding conductor

Select one:
- a. II only
- b. I, II & III
- c. I only
- d. II & III only
- e. I & II only

Question **2**
Not yet answered
Marked out of 1.00
Flag question

Figure 301.01

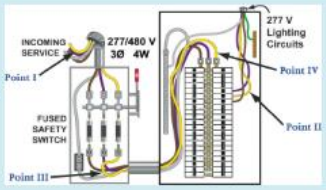


If a fault occurs at Point II in Figure 301.01, it is on the ___ side of the service.

Select one:
- a. line
- b. load

Question **3**
Not yet answered
Marked out of 1.00
Flag question

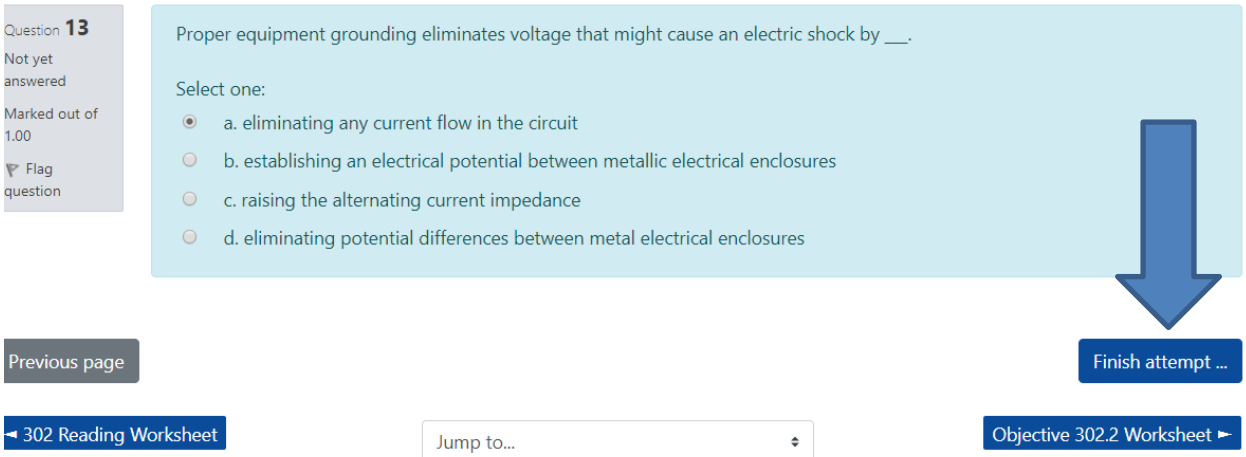
Figure 301.01



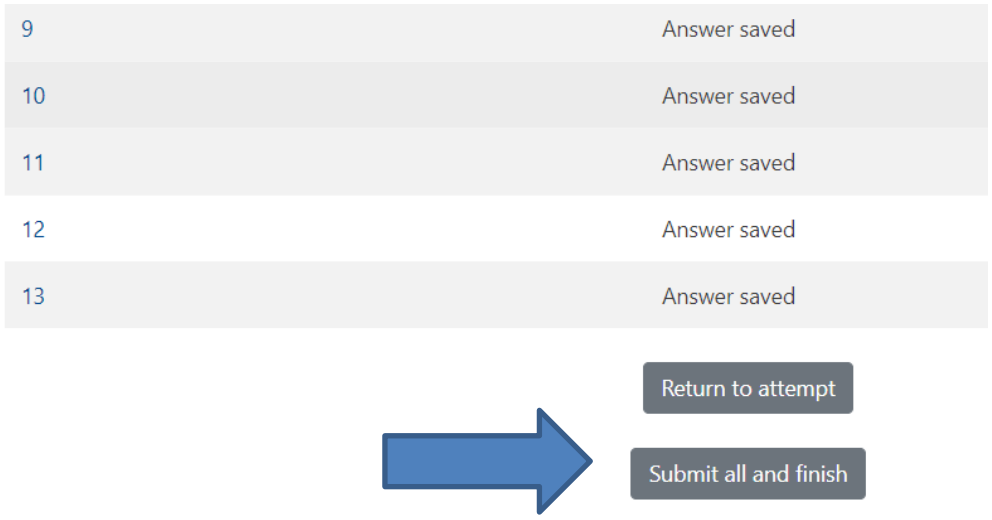
If a fault occurs at Point I in Figure 301.01, it is on the ___ side of the service.

Select one:
- a. load
- b. line

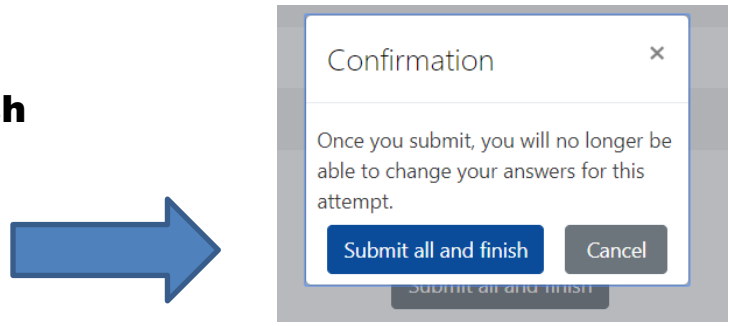
Click Finish attempt



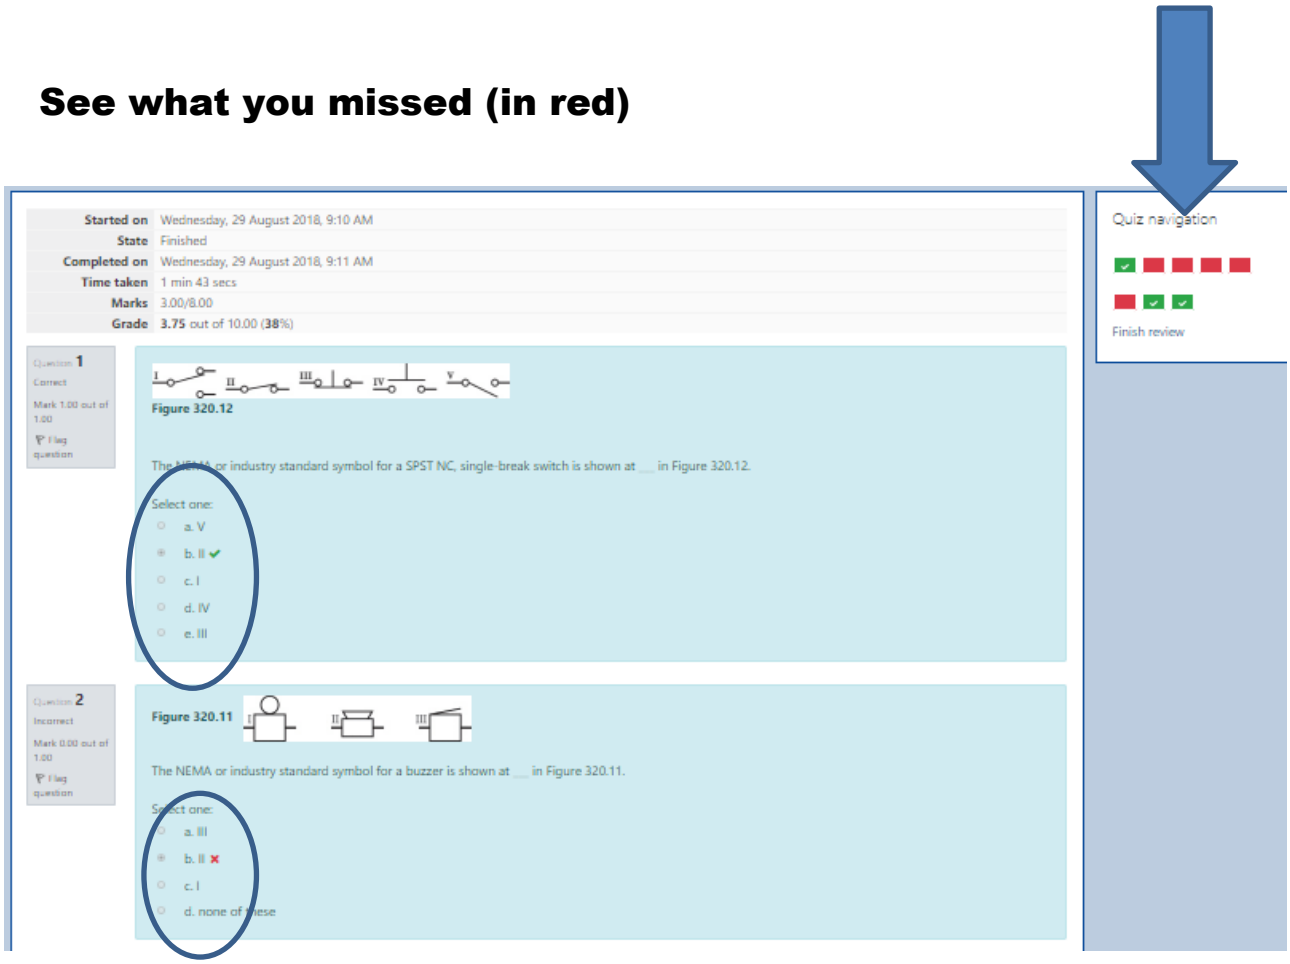
Click Submit all and finish



Click Submit all and finish once again



See what you missed (in red)

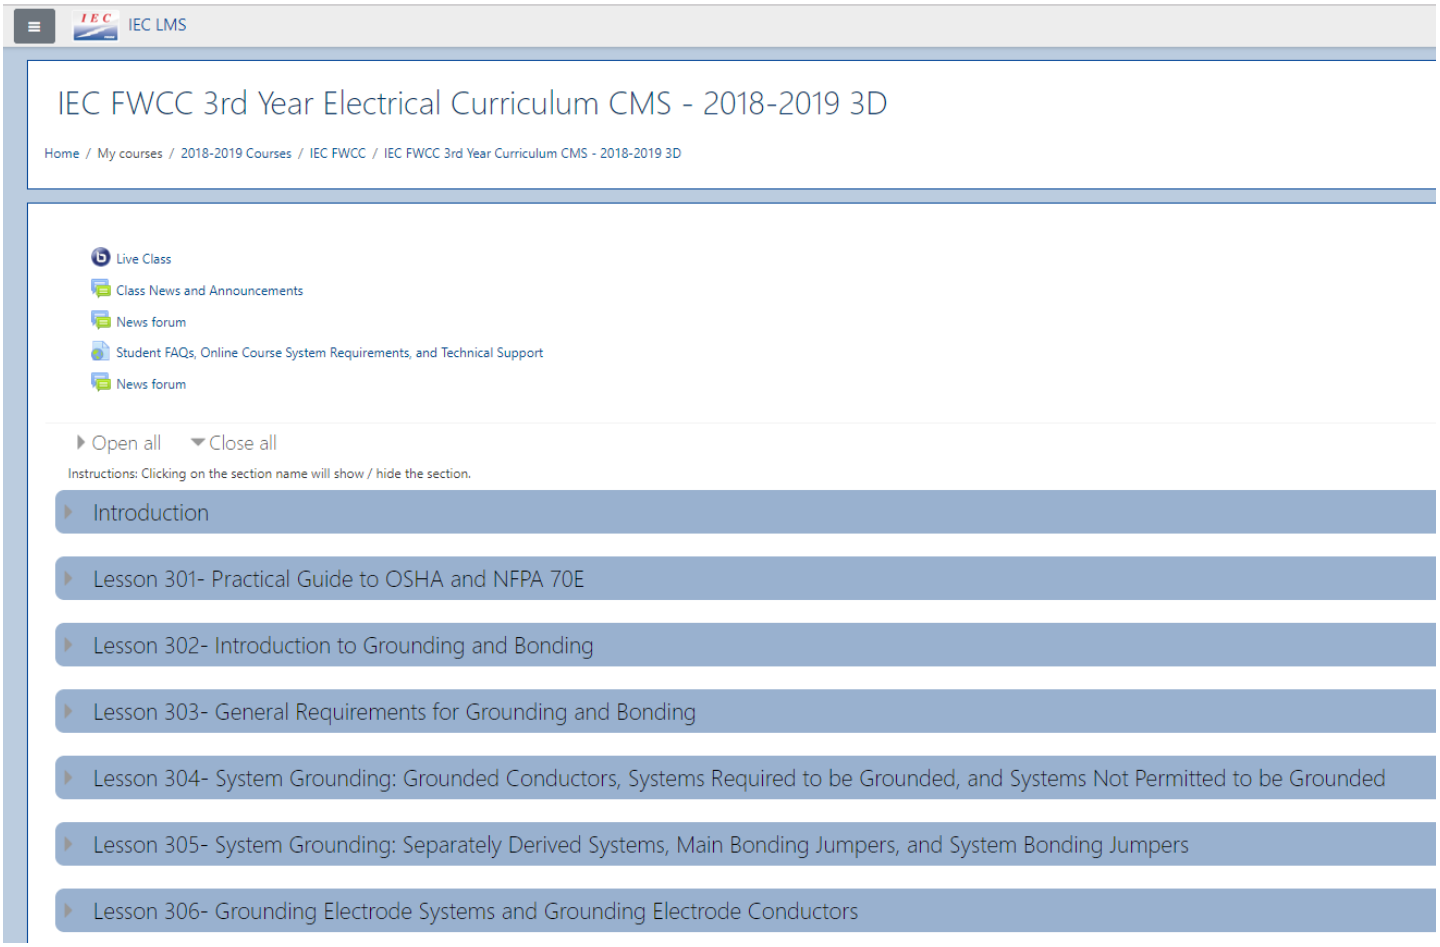


You can also see which questions are correct and incorrect individually

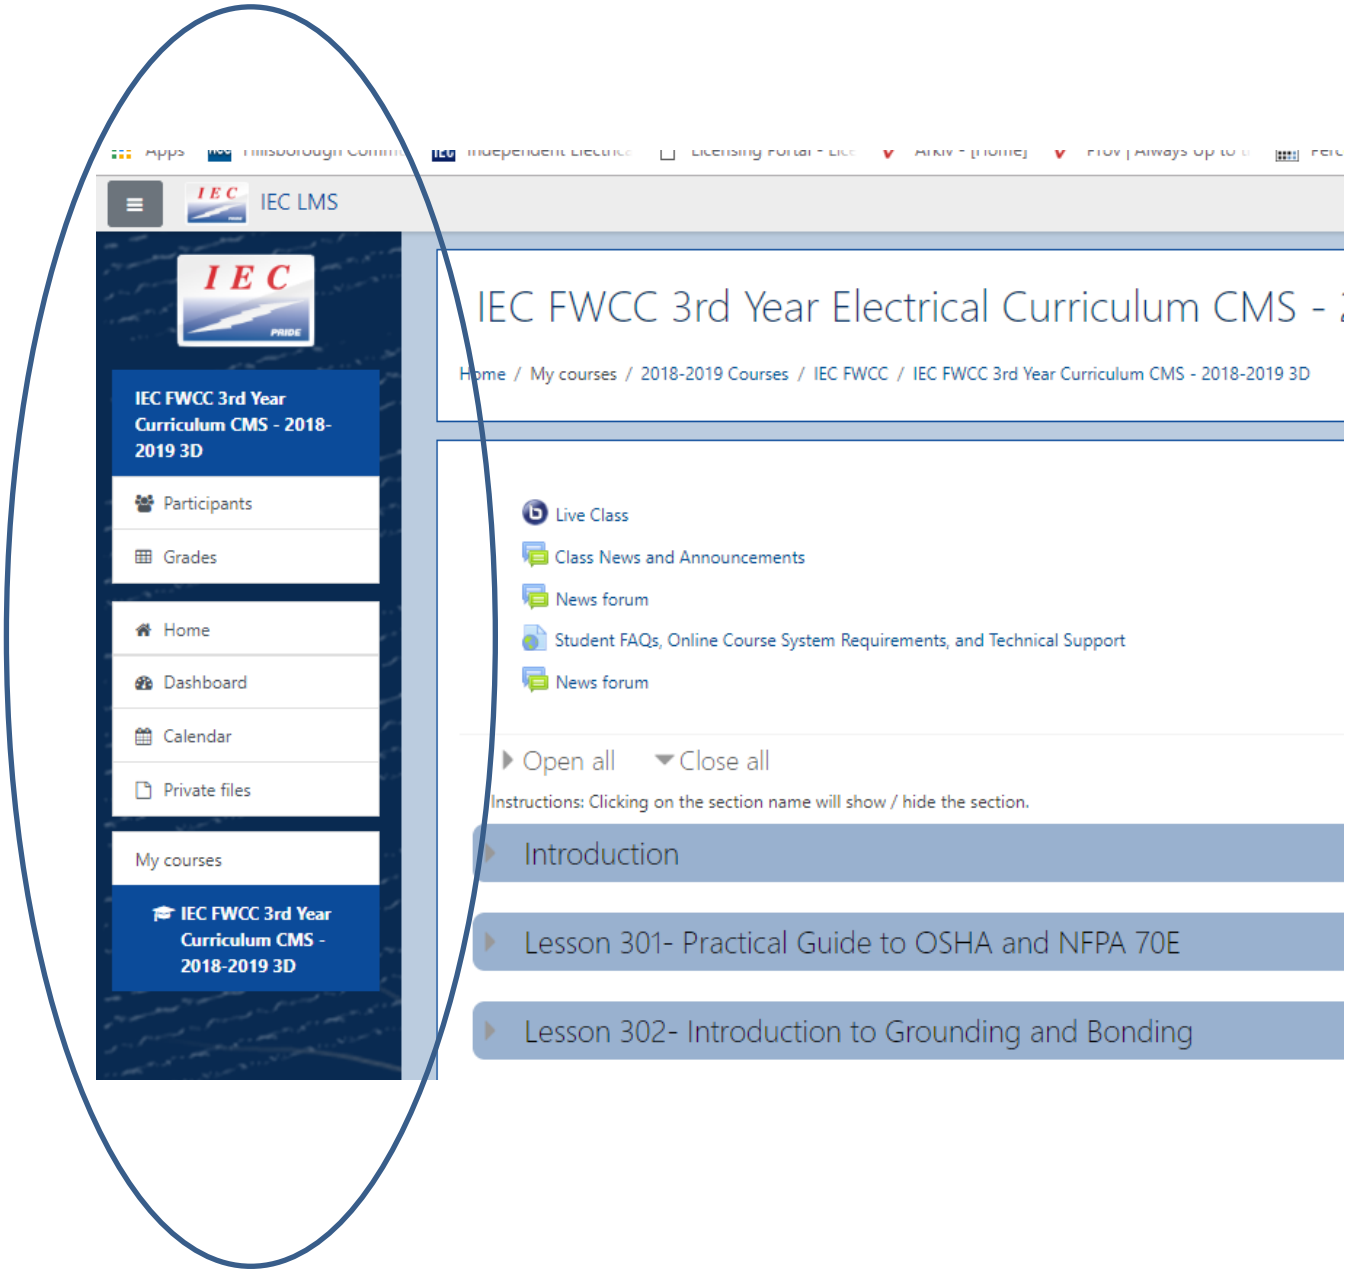
Click “Finish Review” to go back for a second attempt or click on the next Worksheet at the bottom of the page.

Check Your Worksheets and Grades

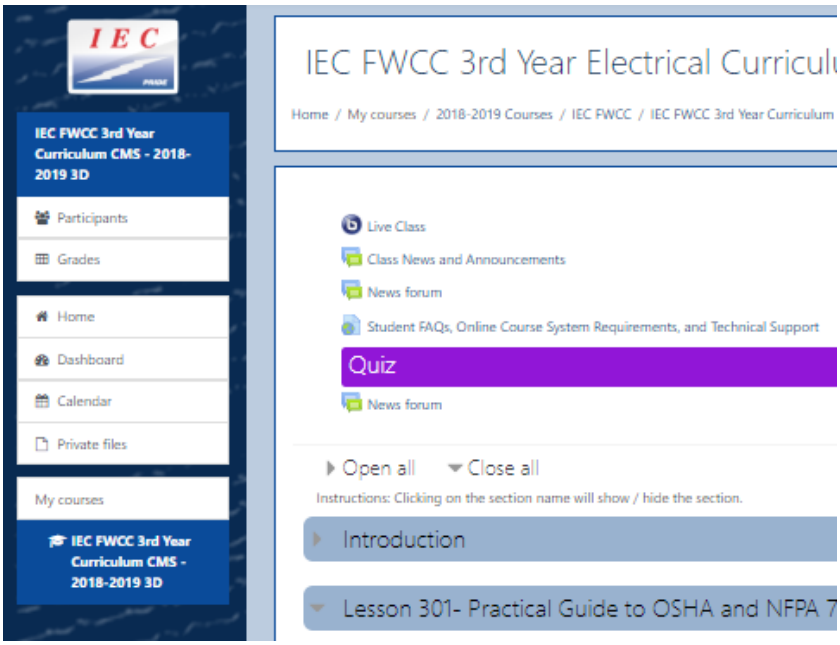
Click on the 3-line icon to open the Administration Block



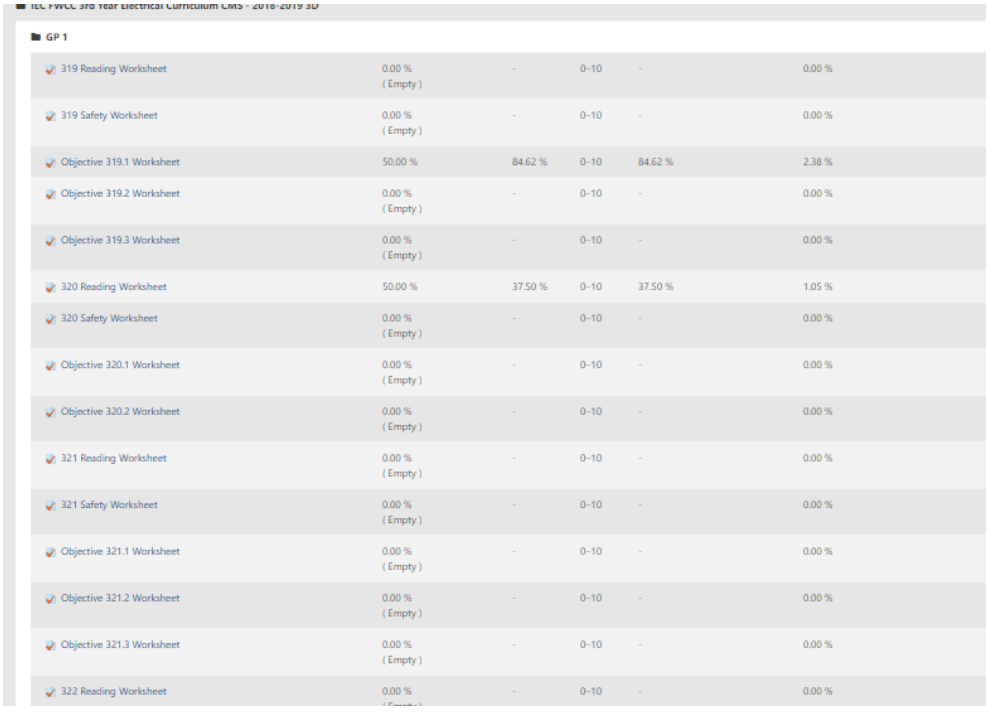
The Administration Block opens



Click “Grades”



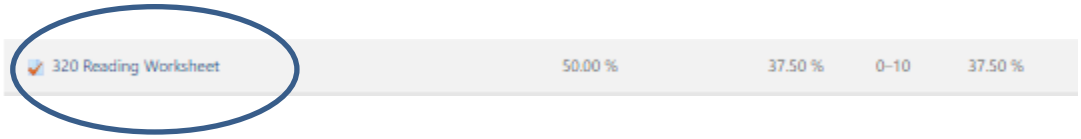
You will see which worksheets you have done or not done and your grades



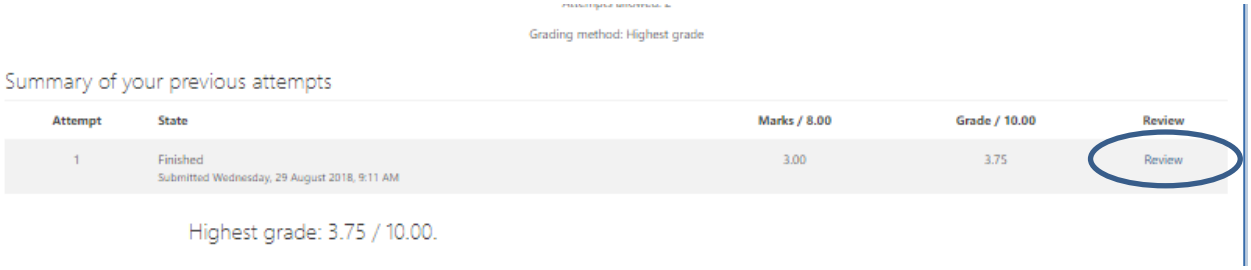
See the Correct Answers

1. The instructor must close the quiz. - After the Worksheet is Closed:

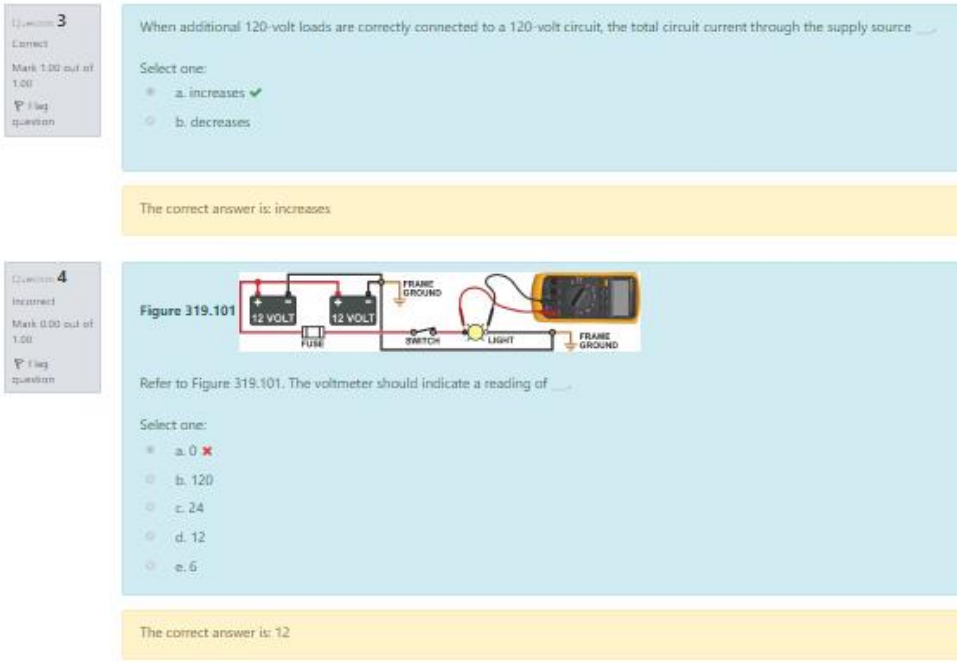
2. Click on “Grades” (as above) then Click on the worksheet



3. Click on “Review”

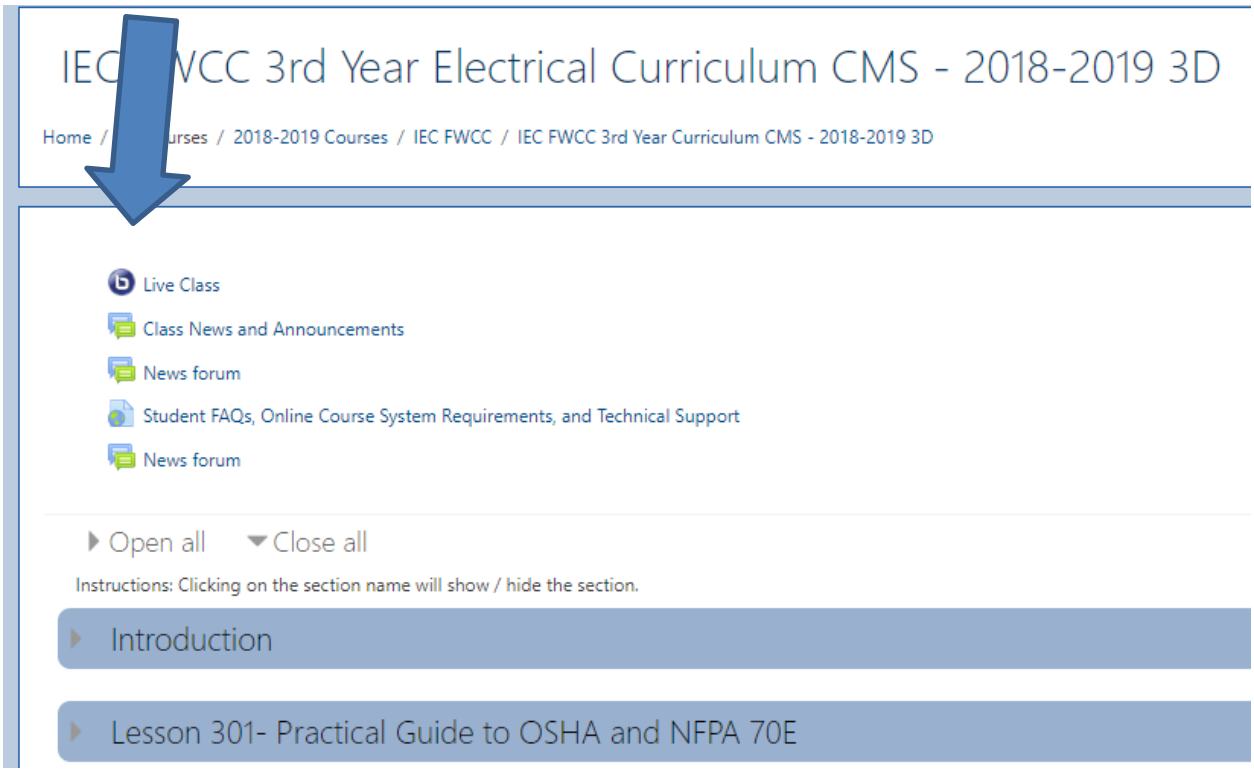


4. You can now see the correct answers below each question

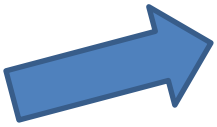


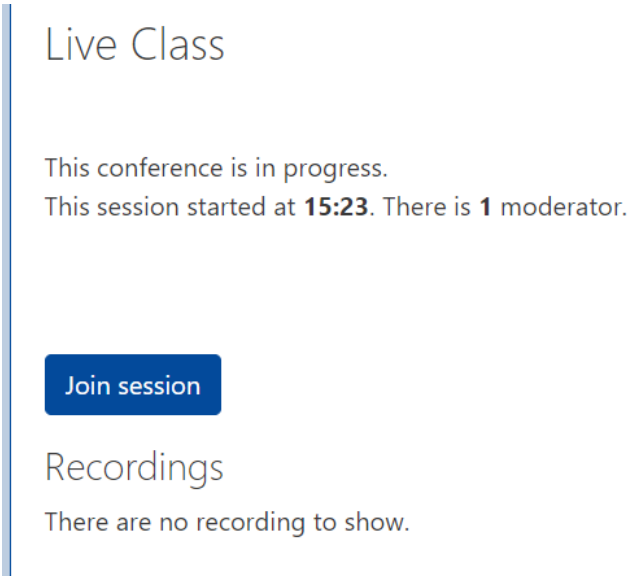
Distance Learning - Going to Class

On the home page, click the Big Blue Button that says Live Class

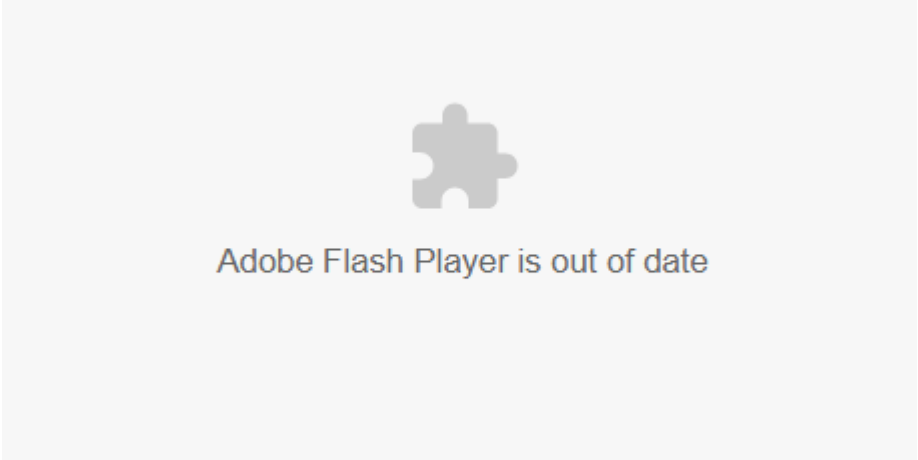


Click on Join Session

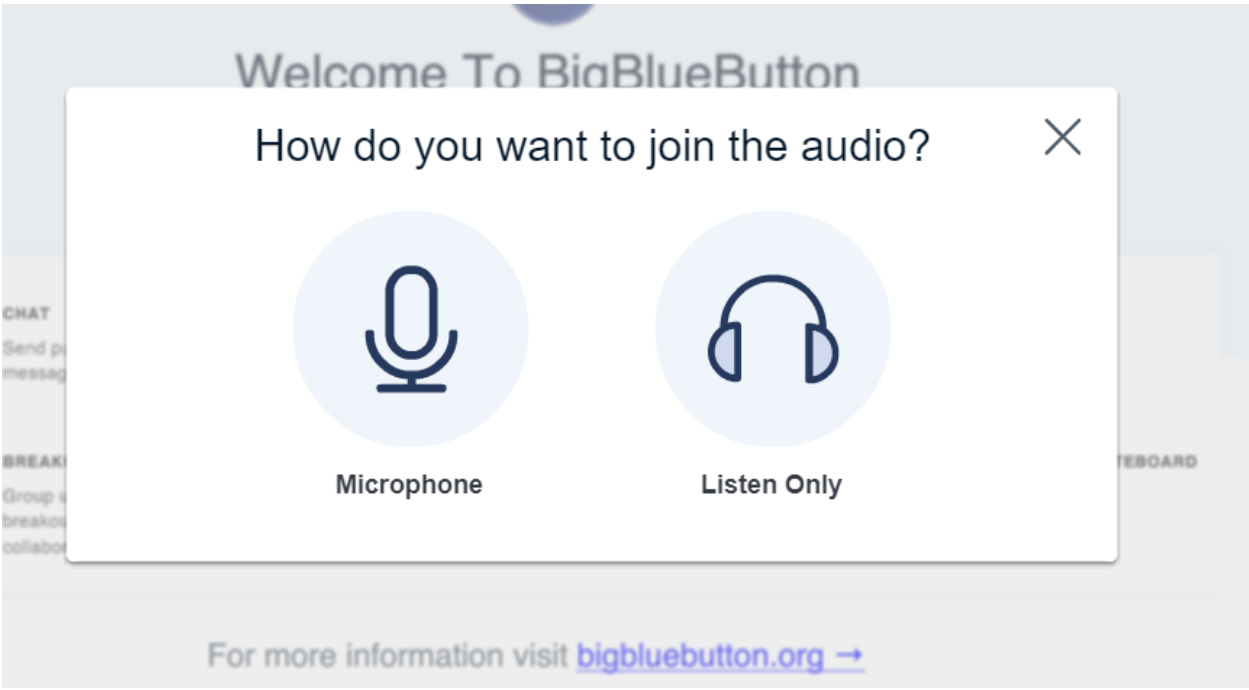




Click on anything that asks you about Adobe Flash Player

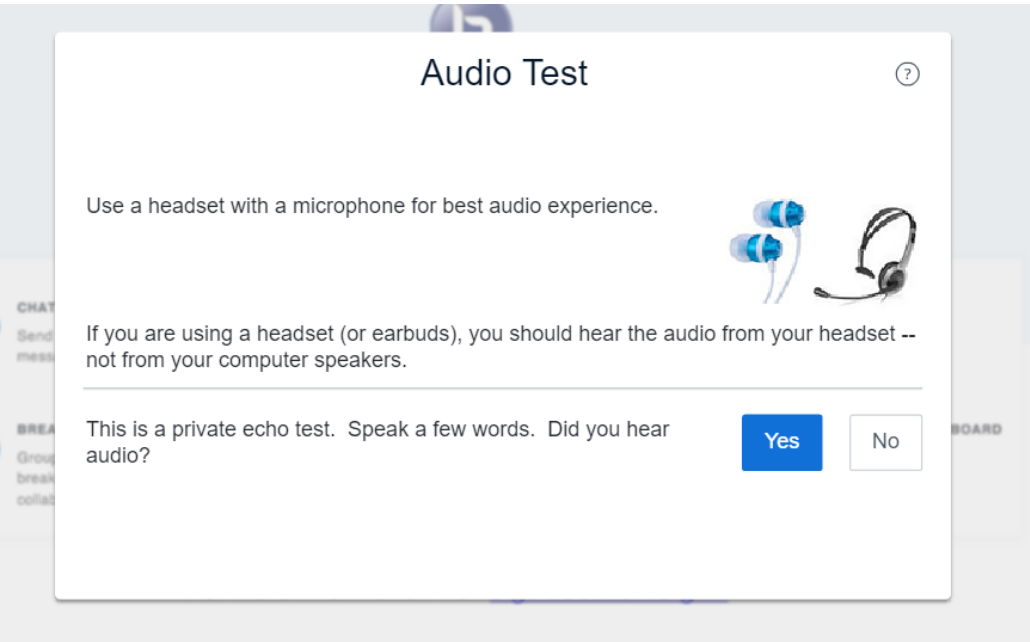


Click on the Microphone unless you have a head set and wish to use that.

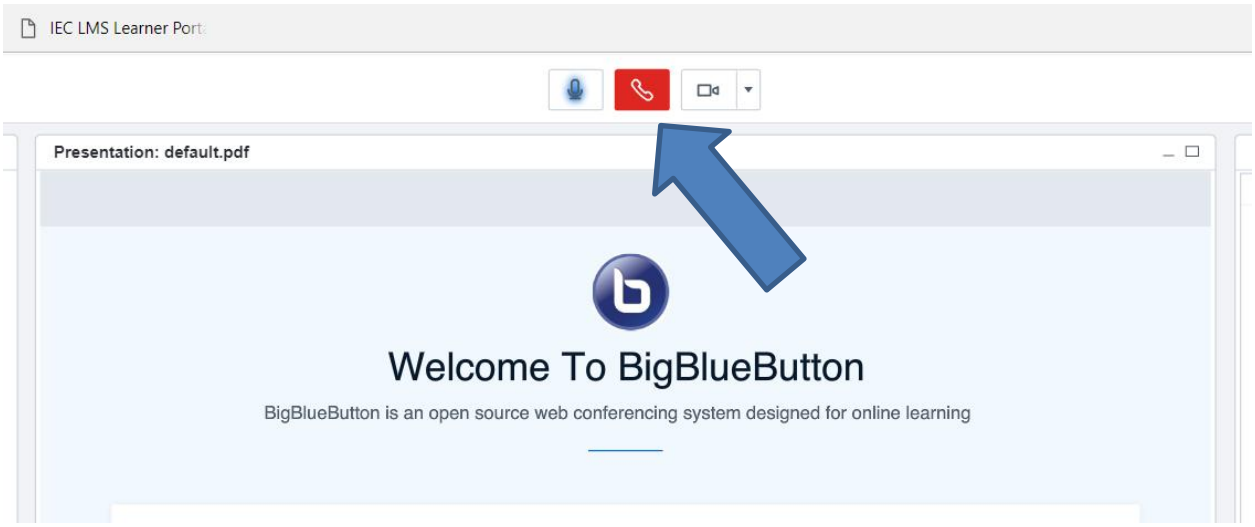


You should hear an echo of your own voice – Click Yes

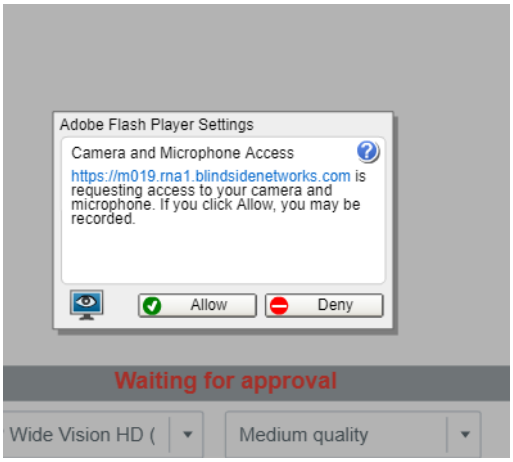
If not, trouble shoot your audio connections on your computer



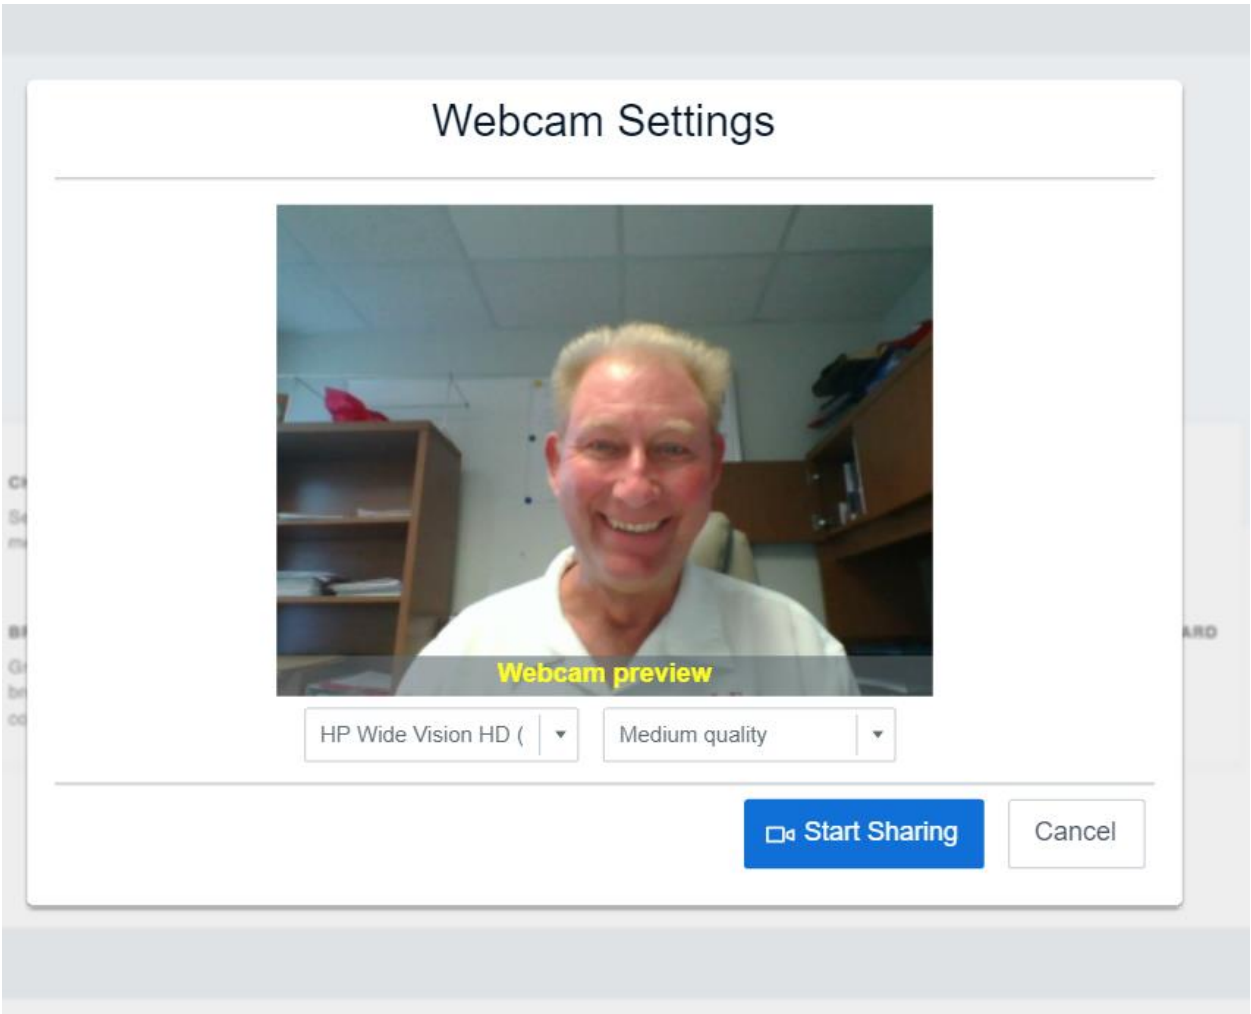
Then click on the camera icon to add your camera



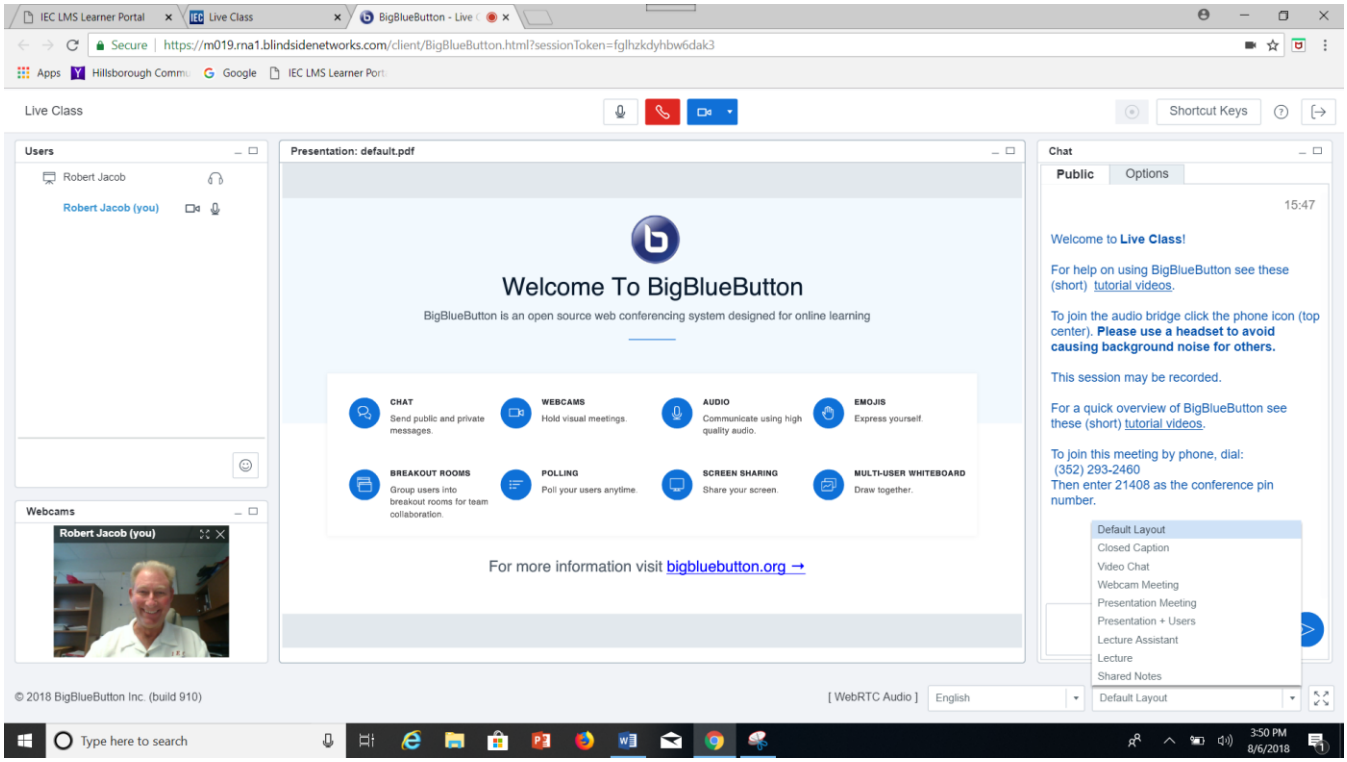
Click Allow



Click Start Sharing

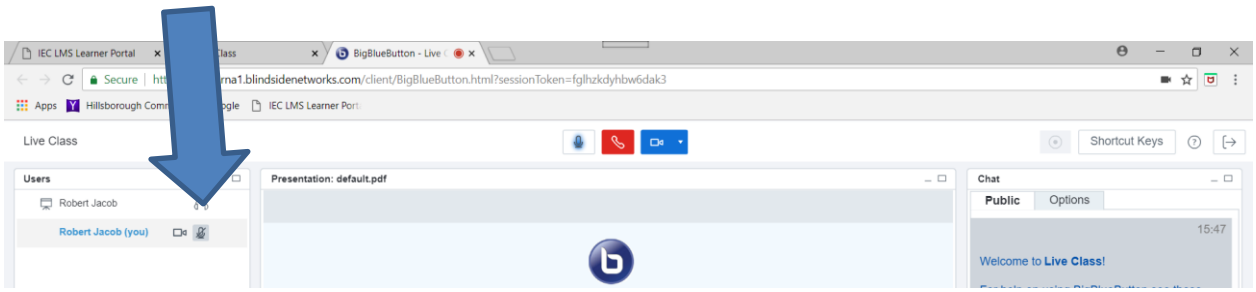


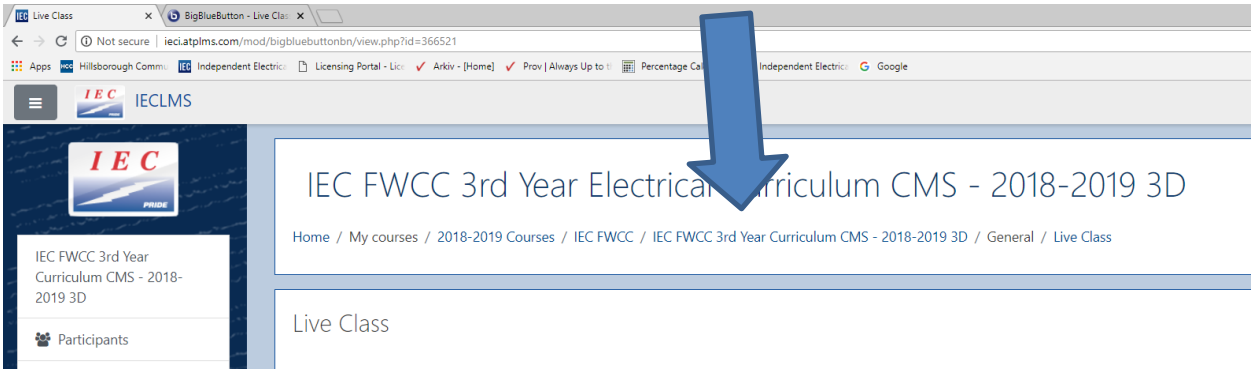
You will see everyone in the class in the window at the lower left.



To change views, clock on the layout

To mute your mike, click on the Microphone icon



To go back to the Home Page from class, click on the


Then click on the name of the class
